While Mr. Brewer gave the usual speech explaining rules and policies on Thursday morning, August 23, everyone knew it would be another great school year, but no one ever imagined that so many memories could be made in one year.

The first couple of weeks was mainly to get used to classes. Underclassman pictures were taken and the freshmen ran for class offices and student council.

To replace the SADD program SWAP (Students With a Purpose) was adopted. This organization was formed as a student support group open to all students and graduates.

On September 8 Illinois Representative Poshard visited the school. He came to present the school with copies of the resolution adopted by Congress regarding accomplishments of the 1990 Girls Softball Team which finished second in state.

As the end of September rolled around the Student Council put together Homecoming with the theme *Panthers Make History*. The Variety Show was held on Friday, September 28, followed by the parade, game, and dance Saturday.

During the month of October the Drama Club put on *Deadly Deal* and the 20-28th SWAP sponsored Red Ribbon Week. The theme for the week was "The Choice for Me: Drug Free." Students were encouraged to participate by wearing red ribbons. Also Ken Freeman came to speak at an all school assembly. His main message was to stay away from drugs and alcohol.

The last weeks of October marked the beginning of a very memorable event. In preparation for the "Big Earthquake" predicted for December 3, Dr. Bradley announced that we would have unannounced drop and cover drills. First aid kits put together by various students and water jugs were placed in each room. As the December 3rd date approached evacuation drills were practiced. On the actual day approximately 297 students were either absent half the day or for the whole day. No earthquake occurred.

On December 6, the basketball team was invited to participate in the annual Coca-Cola Shootout held in St. Louis. During Christmas break they played in the Carbondale Holiday Tournament placing second in Class A.

As the first semester came to an end, bad winter weather threatened to stall semester exams. With only one snow day, exams resumed as scheduled.

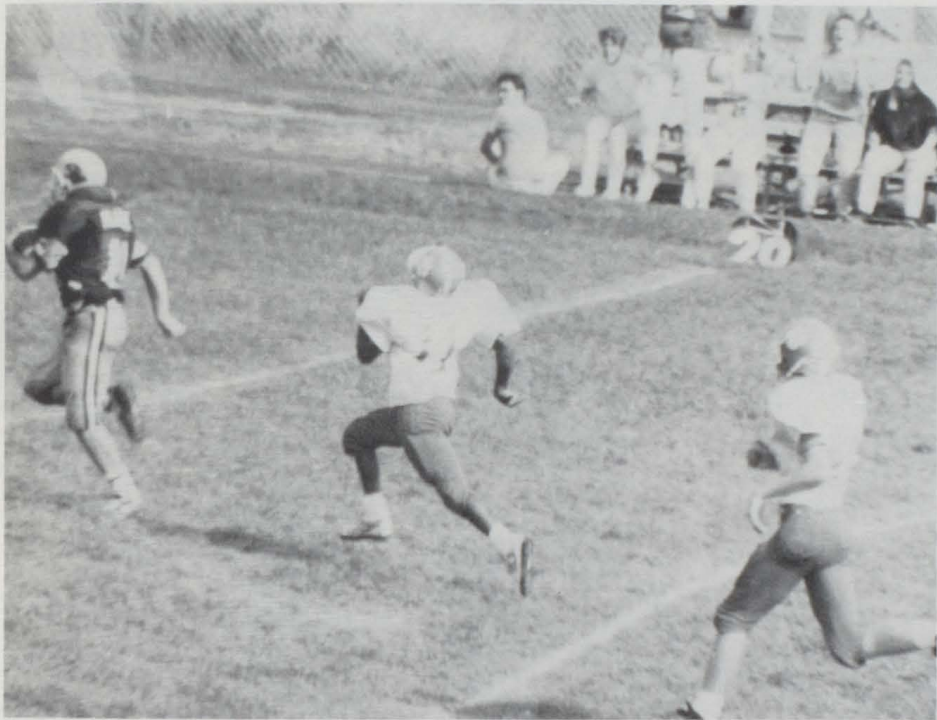

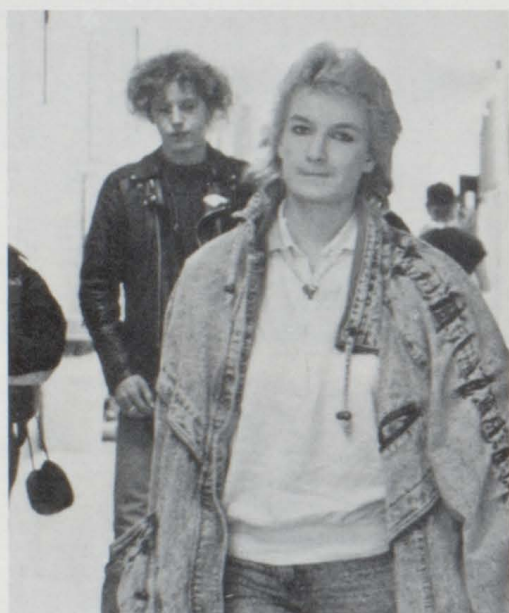

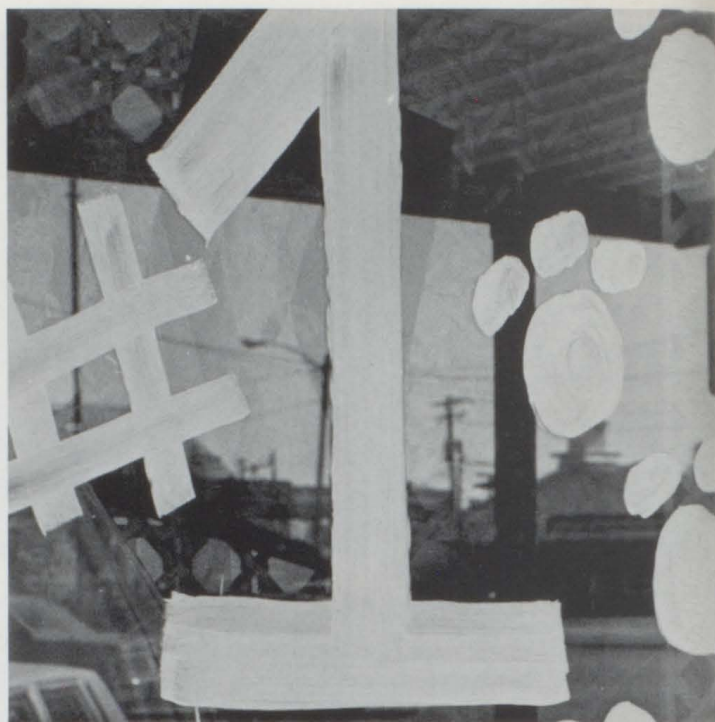

Give the local sports community a boost by  
donating a few items to the school sports  
store. It's a great way to help the school  
and the community at the same time.

## Faculty Members Gain High Honors

Mr. Robb receives congratulations from predecessor Mr. Louis Templeton.

1990 and 1991 proved to be memorable, award-winning years for three faculty members. At the close of the 1990 Class A State Softball Tournament in which the Lady Panthers finished second, Coach Greg Hale was named Coach of the Year in Class A Softball.

As the summer progressed, further news of an honoree was received. At a surprise reception in the school cafeteria, Mr. Sam Robb was given recognition as the 1990 Illinois Agriculture Teacher of the Year. Many family members, present and former students, and friends joined forces for the special presentation.

After over 20 years at the helm of Panther Varsity Football, Coach Gary Glenzy gained his 100th win as Panther mentor and penned his resignation as head coach. However, he wasn't finished yet, as the high honor of being selected to the Illinois Football Coaches' Association Hall of Fame would follow for "The Bear." His induction at Champaign took place in the spring of 1991.

National Honor Society members were busy this year. Each member was required to perform 40 hours of individual community service plus participate in chapter projects. For individual hours many members took part in D.A.R.E. and helped make first aid kits for the "earthquake." Others helped teachers, tutored, took part in the mock disaster, and numerous other things. As chapter projects NHS members donated food to the Food Pantry each month and made name tags for the people's doors at Perry Manor. Members had a Christmas party and invited the faculty council: Mrs. Hoeinghaus, Mr. Stricker, Mrs. Black, Mrs. Johnson and Mrs. Quivey. The year ended as thirteen new members were inducted into National Honor Society at the First Baptist Church.

## Groups Combine For Project Yellow Ribbon

Writing letters and sending "CARE" Packages to soldiers serving in the Middle East during Operation Desert Shield and Desert Storm, many individuals and groups were a part of the effort to help boost the morale of local service personnel. Among the PCHS groups taking part were the FHA, sponsored by Mrs. Ramona Hatch; the French III and IV class of Mrs. Carole Black; and the fourth hour Social Problems class of Mrs. Karla Tabing.

## French Club Participates In Many Activities

French Club joined with FHA-HERO to organize a support group of high school organizations to write letters to troops in Operation Desert Shield/Storm. PCHS' Project: Yellow Ribbon lasted all year as students wrote to graduates of our school, family members, and others whose names were received.

The club had a truck in the Homecoming Parade and performed Dix Petits Bouledogues (Ten Little Bulldogs) in the Variety Show. In January, French and Spanish Clubs went to the St. Louis Art Institute and the St. Louis Centre. French III and IV students delivered flowers and balloons on Valentine's Day, and they went on a field trip to St. Genevieve, Missouri.

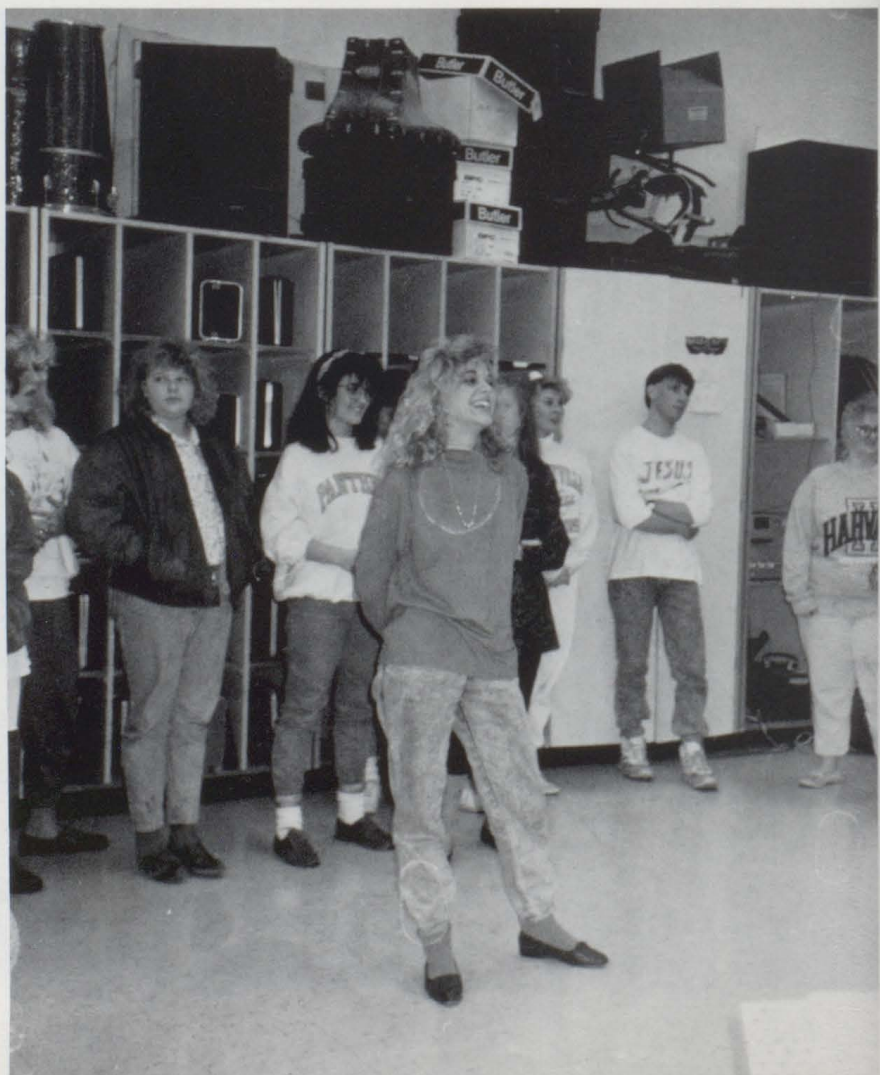

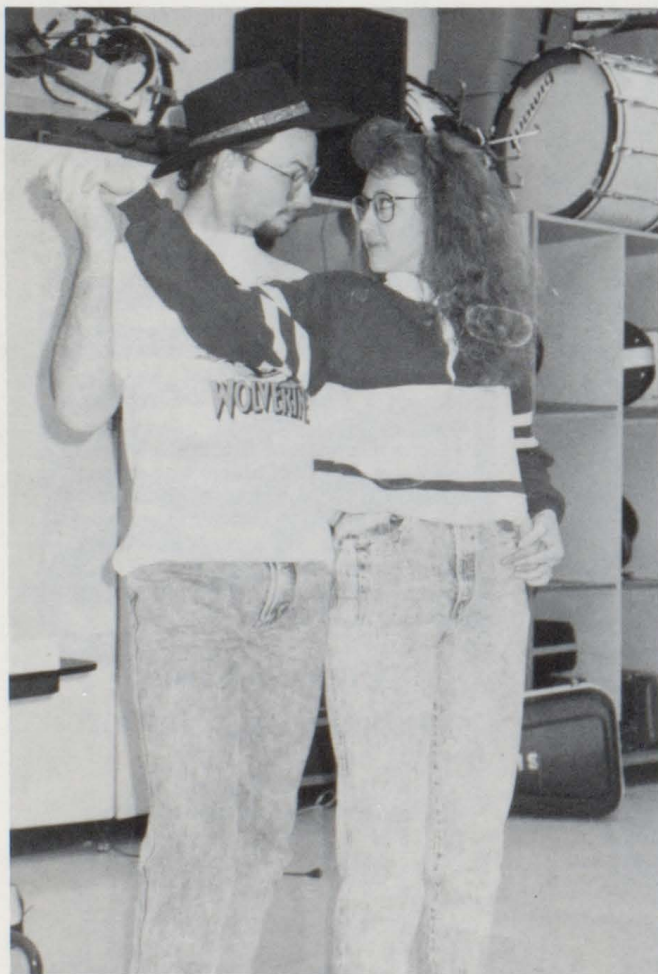

Some members of French III and IV spent a weekend in Chicago with sponsor Mrs. Black and Art teacher Ms. Wilson. One of the highlights of that trip was being present for the Welcome Home Desert Storm Troops Parade with General Colin Powell leading the ticker-tape parade down Michigan Avenue.

# Active FHA Has Memorable Year

The FHA-HERO organization, under the capable leadership of Mrs. Ramona Hatch, participated in numerous activities. Among the year-long, on-going projects was Project Yellow Ribbon, with many members regularly writing letters and sending items to soldiers in the Persian Gulf region. "Cooking With the Panthers" cookbook included culinary favorites from past contest winners, faculty members, and athletes. As well, the FHA sponsored a Christmas party for children and showed their clothing expertise in a window display at Rodells'. Their annual Cooking, Sewing, and Do-Your-Own-Thing contests were also part of this memorable year.

Also sponsored by Mrs. Hatch, Catering Unlimited students Shawn Coffel, Troy Jennings, Cheryl Modlin, and Tina Hagene keep the school and community provided with delicious kitchen delights.

# Homecoming Dance Is Memorable Occasion

Student Council created a memory to last forever by presenting Homecoming 1990. The gym was decorated with signs reading "Go Big Blue" and posters honoring senior football players. Attentions were drawn to the beautiful coronation area decorated with silver paper and streamers. Being voted as Queen by the football team, Cyndi Epplin ruled over the dance, while P.C.H.S. Students and Alumni danced the night away.

Students in vocational home economics classes hosted the fifth annual Nutrition Fair in the Girls' Gym on March 15. Centering on the theme and using the characters of the ever-popular "Teenage Mutant Ninja Turtles," Nutri-Bird, Raphael, and the high school students worked together to entertain kindergarten through third grade students and at the same time teach basic concepts of good nutrition. The fair provided Mrs. Hatch's and Mrs. Hoeinghaus' students with the opportunity to apply what they've learned by teaching the more than 500 eager youngsters from Districts 5, 50, 204, 211, and St. Bruno and St. Charles schools.

# “IT’S TIME TO GO”

BY: Jay Althouse

It seems we’ve been together forever,  
and it seemed that we might never have to part.  
But now the time has come to say farewell to you my friend.  
The time has come to make a brand new start.  
We’ve traveled down this long road together.  
We’ve had some ups and downs along the way.  
But that has all prepared us for what is now in store.  
The future is a road that starts today.  
Remember how we shared all the good times.  
Remember all our hopes and dreams and fears.  
Although today we’re parting, we’ll never be alone.  
We’ll carry all the memories through the years.

It’s time to go  
It’s time to say goodbye  
I really thought that it might never end.  
But maybe someday, if we’re lucky,  
Our paths may cross again  
Until that day I’ll say farewell my friends . . .  
. . . Until that day I’ll say farewell my friends.

To the Class of 1991, we wish you all the best.
